NOTE: Track Events take precedence over field events.
If called to a track event while still at a field event, report the conflict to the Marshal of the field event and go to your track event!

The times on the schedule are tentative. The event will go when announced by The public address official. Listen to the announcer at all times.

Events will not wait for absentee athletes. Neither will they be re-run later. Arrangements must be made with the event marshals.

We will need schools to make sure they clean up their areas before we begin the relays!
